# OneMBA Program Overview

Launched in 2002

Face-to-face classes,  
Thursday-Friday-Saturday,  
full day, around every 2  
months, in São Paulo

Online synchronous  
classes, in the evenings,  
two classes around every 2  
weeks

Asynchronous activities (e.g.,  
business game, social impact  
challenge)

Three global residencies,  
covering 6 countries in  
5 geo-political regions  
One sustainability residency  
in Brazil

18 months

# Distinctive positioning tuned to the new business reality

# Consortium of three top business schools

## FGV EAESP - Sao Paulo School of Business Administration

FGV EAESP combines tradition and innovation in business education to prepare not just professionals, but citizens with a strong knowledge to cope with the challenges of a constantly changing world. FGV is the 3rd most influential Think Tank in the world

## School of Management Xiamen University

School of Management, Xiamen University, a pioneer in China's Management Education, hosts three MBA programs; full-time, part-time and EMBA, which are all ranked top-10 in China.

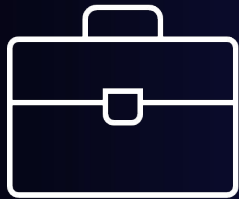

## TBS Education

TBS offers cutting-edge business education to equip the leaders of tomorrow with the analytical skills, professional network and agility needed to adapt, innovate, and anticipate change. TBS has campuses in four major cities: Toulouse, Barcelona, Casablanca and Paris.

# Student profile

Minimum of 7 years of solid professional experience. Professionals and entrepreneurs with a career on the rise - working in strategic positions - who seek to improve their global skills and competences

Professionals who seek international-level development, but do not want to live abroad to take classes

Varied industries, academic backgrounds, organizational roles
